S-38 Faces of Waco (Art Cutting Board)

This digital art piece, "Faces of Waco" encompasses the many facets of the City of Waco while highlighting some of the historical landmarks and popular attractions of the City. All of the images in this piece make up a face. For instance, the eyes are overlooking the City with one eye watering (Lake Waco) while the Waco Suspension Bridge represents the bridge of the nose and the football the mouth. Can you find Dr. Pepper, Waco Tribune or Waco Mammoth Site? In the background, you will find a map of Waco with popular streets and highways and The Brazos River.

This is an Art Cutting Board/Cheese Board. This piece is functional as well as artistic and is available on canvas and/or framed giclee'. It can be beautifully displayed on an easel in your kitchen or around your home. This board is dishwasher safe, shatter proof and scratch resistant.
