WAGON WARRIOR CAMPAIGN

This 2nd year campaign for the Green Bay/Fox Valley area embraces all areas of the community and is all about Kids helping Kids. We are looking for schools to participate in decorating a wagon and in April, wagons will be used as a "Drive" for Colton's Cure to collect items for children going through cancer treatment and to fundraise for the American Cancer Society, specifically around childhood cancer research. The wagon will then be donated to a hospital or a family affected by childhood cancer.

REAL MEN WEAR PINK

Breast cancer doesn't just affect women. Thousands of men are diagnosed with the disease in the US every year. And so are more than 240,000 of their daughters, wives, mothers, sisters, and friends. That's why we're recruiting men to fight breast cancer through Real Men Wear Pink. This distinguished group of community leaders raises awareness and money to support the American Cancer Society's breast cancer initiatives – and to help us save more lives than ever before.
