

## We are going Virtual! Relay For Life of Greater Long Beach!

**Date: Sunday, September 27, 2020**

**Time: 1:00 pm to 4:00 pm**

**Virtual Link: Facebook Live ~ [click here](#)**

With the well-being and health of all our participants in mind, we have made our event **VIRTUAL!!** We will have an action packed 3-hour event that will include all the traditional ceremonies (Survivor Celebration, Fight Back, and Luminaria Remembrance), entertainment, mission moments, calls to action, and more!

While we aren't able to gather and walk around the track this year, we can still **honor, support** and **remember** our loved ones by sharing your Relay Spirit! Put on your Relay gear and walk around your neighborhood; make a sign showing who you Relay for; use sidewalk chalk to decorate your driveway or sidewalk with Relay inspired designs; line your porch or front walk way with luminaria dedicated to your loved ones! You can still participate in the **fight against cancer**. We are still fundraising to support the ACS mission of patient services and cutting-edge research...invite your friends, family, neighbors, and co-workers to join you in this fight! Every dollar counts in the fight against cancer!

Go to our website to register a team, join a team, stay up to date with Relay happenings, and check out our upcoming fundraisers and event sponsors. **Join us today!** [www.relayforlife.org/LLCCca](http://www.relayforlife.org/LLCCca)
