Why support the American Cancer Society?

The American Cancer Society invites your company to join us in saving lives, celebrating lives, and leading the fight for a world without cancer.

Compassion, it's what we're made of.

We know a cancer diagnosis can be scary – and overwhelming. Whether you need emotional support, the latest cancer information, a ride to chemo or a place to stay when treatment is far away, we're here to help 24 hours a day, 7 days a week. Call 1-800-227-2345 to talk with a trained cancer information specialist and find support in your local community.

Determination, because a little goes a long way.

Our volunteers are the heart of everything we do. They fundraise, they help patients, they advocate for life-saving change, and they are committed to helping us achieve our mission through events like the Allen County Golf Classic, Relay For Life and Making Strides Against Breast Cancer. The American Cancer Society has more than 2 million volunteers that help save lives every single day.

Generosity, it's what keeps us going.

Over the past 100 years, the American Cancer Society has been working relentlessly to end cancer. We're not there yet, but with the help of our donors, we've made some incredible progress. We've invested in more than \$5 billion in research since 1946. We've provided 6.3 million free rides to cancer treatments. We've given 357 thousand no-or low-cost screenings since 2011. We've saved 2.1 million lives from cancer since 1991. The Society currently is funding \$18.7 million in 25 grants in the state of Ohio and is currently funding over \$400 million in 750 grants throughout the United States.
