

BECOME A PROUD SUPPORTER & FIGHT BACK AGAINST CANCER

Join restaurants across the Omaha Metro this summer in our *Stick a Fork in Cancer* campaign, a promotion to fight back against cancer and support the American Cancer Society Relay For Life program.

BOOST YOUR BRAND!

Participating in the Stick a Fork in Cancer campaign provides an unparalleled opportunity to engage your customers, employees, and communities in the fight against cancer. We support the largest Relay For Life event in Nebraska: The Relay For Life of Greater Omaha. Our campaign will reach 1,000s of volunteers across the metro. Your partnership also establishes affinity between our brands, allowing your company the chance to partner with the American Cancer Society, a leading, trusted source for cancer information, with 96% aided brand awareness among consumers.

GET INVOLVED TODAY!

Becoming involved with the Stick a Fork in Cancer campaign is easy. Just commit to donating a portion of your sales for one day. We'll work closely with you on promoting your restaurant's involvement within the community and to the local media. Additional promotional benefits and recognition will align with the level at which you choose to give back, including opportunities to co-brand on collateral materials and social media.
