Auction Brochure

Get Your Kicks
ON ROUTE 66

Ride the road with VICTORY
Dear Friends

It is our privilege to invite you to join us for the 2010 Cattle Baron’s Ball, “Get Your Kicks on Route 66,” celebrating twenty-three years of VICTORY. It is the year of classic Corvettes on open roads, polished chrome, roadside diners, flashing neon signs, and the James Dean cowboy. So… dust off your boots and grab your hats for an evening of fun with dancing and live entertainment by Rodney Atkins, dinner with Pappas Catering, live pig races, gaming, “Midway” games, big board, and silent and live auctions. Then, at the end of the night, spend your winnings in our “Stores on Route 66” Departments and “Santa Monica Pier” General Store.

Through your generosity, VICTORY, the organization behind the Cattle Baron’s Ball, has been able to donate over $27 million to the American Cancer Society. Our heartfelt thanks go to our loyal underwriters, contributors, supporters, and friends whose uncommon generosity is a tribute to our community and our cause. We look forward to seeing you on April 24.

Happy Trails to You!!!

Platinum artist, Rodney Atkins, has a rare gift for reflecting the lives of his listeners in his music—their hopes, their concerns, their spirit, their adversities, even their sense of humor. A native of small-town East Tennessee, the adopted son of a loving family and the proud father to a family of his own, Atkins understands regular lives because he still leads one. His unique recording style proved a winning one, and the chart-topping, platinum selling, If You’re Going Through Hell, gave Atkins his true breakthrough. With singles from that album, he topped the charts for five weeks in 2007 with “Watching You” the most played song of 2007, and “These Are My People.” That year, he also earned the Academy of Country Music’s Top New Male Vocalist award, plus five other ACM nominations and two Country Music Association nominations for his work. In May of 2009, the titled single to his latest album, “It’s America,” became his fifth single to ascend to No. 1 on the Billboard Country Singles chart.

THE YELLOW ROSE OF TEXAS IS THE ONLY ONE FOR ME!

To Texans, a yellow rose signifies joy, friendship and happiness…a token reserved for a true friend who has made a difference in our lives. Cattle Baron’s Ball 2010 honors those individuals who are fighting cancer, those who have won the battle, those whom we have lost or the special people who have made a difference in our lives. For a minimum $25 donation, you can honor that special person the night of the ball in our prominent display of yellow roses.

YOUR DONATIONS AT WORK

The American Cancer Society is a nationwide, community-based and voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer, through research, education, advocacy, and service.

The entire proceeds of this event benefit the Houston-area American Cancer Society. In 2009, the American Cancer Society, High Plains Division, provided over $25 million in programs, research and services. Your donations are at work 24 hours a day, 7 days a week, 365 days a year.

THANK YOU FOR SUPPORTING VICTORY AND THE AMERICAN CANCER SOCIETY!
WAYS TO GIVE

DESIGNATED GIVING

By making a gift of $2,500 or more, your contribution will go directly to one of our core programs, Patient Navigation or Patient Transportation, that work to eliminate suffering in the Houston community. The Patient Navigation Program uses both telephone-based and on-site navigators to help walk patients through their cancer experience. Our Patient Transportation Program ensures that patients get to the location where they can receive their lifesaving treatments.

CHILDHOOD CANCER SURVIVOR SCHOLARSHIP FUND

The American Cancer Society and the medical community have made incredible progress in treating children with cancer. The five-year survival rate for childhood cancer is more than 75%. As survivor rates have risen, many families require financial assistance to fund their child's education beyond high school. This fund will provide young cancer survivors with the opportunity to pursue an undergraduate degree or other post-secondary school education.

GENTLEMEN’S COMMITTEE

The Gentlemen’s Committee, a branch of VICTORY, designates 100% of its yearly dues to cancer research. To date, over $24,000 has gone to fund studies in prostate and kidney cancer. This year’s designation is prostate cancer. We invite you to join the 2009-2010 committee as a husband of a VICTORY member or as a member-at-large for a minimum donation of $100.

Thanks to the group of men in our lives that have already supported our fight against cancer this year.

Since 1985, JD Fields & Company, Inc has supplied millions of tons of high-quality steel products to customers around the world.

55 Waugh Drive, Suite 1250, Houston, TX 281.558.7199
Route 66

“If you ever plan to motor west
Travel my way, take the highway that’s the best,
Get your kicks on Route 66!

It winds from Chicago to L. A.
More than two thousand miles all the way.
Get your kicks on Route 66!

Now you go through St. Looey, Joplin, Missouri
And Oklahoma City looks mighty pretty.
You’ll see Amarillo, Gallup, New Mexico
Flagstaff, Arizona; don’t forget Winona,
Kingman, Barstow, San Bernardino.

Won’t you get hip to this timely tip
When you make that California trip.
Get your kicks on Route 66.”
