Edit the Registration Information of a Participant

Update a Participant’s Basic Registration Information

1. From the EMC, click Customer Service.

2. Under Related Actions, select Manage Participants.

3. A list of all registered participants will be displayed. Find the appropriate participant in the list provided or through the search function.

4. Beside the participant’s account, click Manage Participant to access the participant’s profile.

5. From the participant record, under Related Actions (left hand side of the page), click Edit Registration.

   a. Make changes to the individual’s online registration as needed:
i. Update the individual’s participation type from the drop down.
ii. Change the participant’s individual fundraising goal.
iii. Add emergency contact information
iv. Click Next.

b. Edit the registration responses. Click Next.

c. If an offline registration fee was provided, record the payment. Click Finish.
Delete a Participant’s Online Registration

When you deactivate a participant:

- The participant will be removed from the group of participants for this event.
- The participant will be removed from the list of pending autoresponders for this event.
- The participant will not be displayed in search results when donors, people who want to join their team and other site visitors perform searches.
- The participant cannot log into the Relay Dashboard nor access their Personal Page.

Before making the participant inactive or deleting the registration, you must make sure that the individual is not a Team Captain. If the individual is a team captain, you must follow the steps below before successfully removing the online registration:

- Assign a new team member to the captain position
- Remove the initial team captain from all teams

1. From the EMC, click Customer Service.
2. Under Related Actions, select Manage Participants.
3. A list of all registered participants will be displayed. Find the appropriate participant in the list provided or through the search function.
4. Beside the participant’s account, click **Manage Participant** to access the participant’s profile.

5. From within the participant record, under **Related Actions** (left hand side of the page), click **Make Inactive**.

6. Click **Make Inactive** to deactivate the participant’s registration.

7. Once you have made a contact inactive, the **Delete Registration** option will appear under the Related Actions side bar.

8. Follow the steps to complete the deletion process. The participant will no longer be registered.

**Make a Participant’s Registration Private**

*Note: Making a participant’s registration private prevents donations from being made and site users will not be able to search for the participant.*

1. From the EMC, click **Customer Service**.
2. Under Related Actions, select **Manage Participants**, and search for the participant record.

3. A list of all registered participants will be displayed. Find the appropriate participant in the list provided or through the search function.

4. Click **Manage Participant** to access the participant’s profile.

5. From the participant record, under **Related Actions** (left hand side of the page), click **Make Private**.

6. Select **Make Private**.

7. The record will reflect this update.
