

2021 Making Strides Against Breast Cancer Rewards

Welcome to the NEW Making Strides Rewards program!

We appreciate your commitment to raising breast cancer-fighting dollars for the American Cancer Society – through fundraisers, emails, social media, and asking everyone you know for donations. Because of you, we can continue fighting breast cancer through research discovery, patient support and advocacy.

The Strides Rewards program is our way of thanking you for your creativity and passion. You'll earn points for every dollar raised online to help us defeat breast cancer.

HOW DOES IT WORK?

- Raise Funds: \$1 = 1 point
- Once you earn 250 points, log into ShopACSRewards.org
- Redeem your points anytime during the year. And yes, you can redeem them for more than one item. You earned your points, now spend them however you like!
- It really is that easy!

Earn Club Memberships. Support Every Part of Our Mission.

Research

Your support helps us continue to fund lifesaving research that will impact generations to come. Many cancer treatments and drugs used today came from foundational research that we helped fund.

Education

Access to current and accurate information is crucial to the fight against cancer. The American Cancer Society answered more than 1.4 million requests for cancer information through the helpline and cancer.org website in 2019.

Advocacy

The ACS Cancer Action NetworkSM works to make cancer a top priority for public officials.

Service

Cancer care is one of the vast inequities communities of color face. The American Cancer Society funds health equity grants and screening programs to help reduce these types of disparities.
