

A Pampered Chef® Fundraiser

Dear Fund-Raiser Chairperson,

I am pleased to inform you about a wonderful **fundraising opportunity** available to assist with your Relay for Life team's money-raising efforts. A Pampered Chef fundraiser is a great way to earn money to meet individual and team goals. Pampered Chef fundraisers are not only profitable, but very easy as well!

Most people are familiar with Pampered Chef's high quality tools and know the long-lasting value they receive when purchasing Pampered Chef products. Through a Pampered Chef fundraiser, your friends and family have the opportunity to purchase the products they need and your team gets a donation for every purchase made.

There are several options for Pampered Chef fundraisers. Teams may host an in-home interactive cooking party where guests have a hands-on opportunity to try the products. Teams may also choose to have a catalog fundraiser and in lieu of a party, team members simply pass catalogs to relatives, friends, neighbors and colleagues and collect orders. Finally, teams may choose to set up their fund-raiser as an online fundraiser. A combination of these types of fundraisers is also available. As your Pampered Chef Consultant, I will work closely with your team to determine which fundraising option is right for your team and to ensure that the fundraiser is a success.

There are multiple benefits to a Pampered Chef fundraiser. First and foremost, your team will earn up to 15% of the total sales of your fundraiser. An additional donation will be made for each show that is scheduled from the fundraiser. Your friends and family will have the opportunity to purchase quality products that are useful and time-saving all while enjoying a fun evening and learning quick and easy recipes that cost about \$2 per serving!
